PRINCIPAL'S MESSAGE

JAMES A. STANLEY

PRINCIPAL'S MESSAGE

I should like to express my appreciation to the members of the Senior Class whose time and perseverance have contributed much to the well-being of the school. During the past five years I have learned to respect, love, and admire each of you and the contribution you have made to the educational growth of Graham County. It is my hope that each of you will find your place in the higher institutions of learning and by so doing will be able to cope with the ever increasing complexities of this atomic age. May your ambitions, your dreams, and aspirations which you molded while a student in Robbinsville High School become realities.
